Link to attend the virtual presentation: <https://ladenburg21.mysequire.com/>.

Investors can request a one-on-one meeting with authID.ai via the event website.

### About authID.ai

authID.ai (Nasdaq: AUID), formerly Ipsidy, provides secure, mobile, biometric identity verification software products through an easy-to-integrate Identity as a Service (IDaaS) platform. authID.ai's suite of self-service biometric identity proofing and authentication solutions frictionlessly eliminate all usernames and passwords through a consent-based facial matching system. Powered by the most sophisticated biometric and artificial intelligence technologies, authID ultimately aims to re-establish security and trust between businesses and their customers by helping to protect sensitive personal data.
