Disclaimer & Forward Looking Statements

- This Presentation and information provided at the Annual Meeting at which it is presented (the "Presentation") has been prepared on the basis of information furnished by the management of authID Inc. ("authID" or the "Company") and has not been independently verified by any third party.
- This Presentation is provided for information purposes only. This Presentation is not an offer to sell nor a solicitation of an offer to buy any securities.
- While the Company is not aware of any inaccuracies, no warranty or representation is made by the Company or its employees and representatives as to the completeness or accuracy of the information contained herein. This presentation also contains estimates and other statistical data made by independent parties and us relating to market size and other data about our industry. This data involves a number of assumptions and limitations, and you should not give undue weight to such data and estimates.
- Information contained in this Presentation or presented during this meeting may include "forward-looking statements." All statements other than statements of historical facts included herein, including, without limitation, those regarding the financial position, results of operations, business strategy, plans and objectives of management for future operations of both authID and its business partners, future service launches with customers, the outcome of pilots and new initiatives and customer pipeline are forward-looking statements. Such forward-looking statements are based on a number of assumptions regarding authID's present and future business strategies, and the environment in which authID expects to operate in the future, which assumptions may or may not be fulfilled in practice. Implementation of some or all of the new services referred to is subject to regulatory or other third party approvals. Actual results may vary materially from the results anticipated by these forward-looking statements as a result of a variety of risk factors, including the risk that implementation, adoption and offering of the service by customers, consumers and others may take longer than anticipated, or may not occur at all; changes in laws, regulations and practices; changes in domestic and international economic and political conditions, the impact of the Covid-19 pandemic and others. Additional risks may arise with respect to launch of new products and technologies, cybersecurity issues as well as risks commencing operations in new countries and regions, of which authID is not fully aware at this time. See the Company's Annual Report Form 10-K for the Fiscal Year ended December 31, 2021 filed at www.sec.gov for other risk factors which anyone considering a transaction with the Company should consider. These forward-looking statements speak only as to the date of this Presentation or meeting and cannot be relied upon as a guide to future performance. authID expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained in this Presentation to reflect any changes in its expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based.
- This Presentation contains references to the Company's and other entities' trademarks. Such trademarks are the property of their respective owner. The Company does not intend its use or the display of other companies' trade names or trademarks to imply a relationship with or endorsement of the Company by any other entity.
- By reading this Presentation or attending a meeting at which it is presented you accept and agree to these terms, disclaimers and limitations.

adoption

Our KPI's

Booked ARR	Annual Recurring Revenue	Deferred Revenue
Amount of annual recurring revenue represented by the minimum or estimated amounts of orders booked by authID for customers of our Verified products.	Amount of recurring revenue earned from Verified products in the last month of the quarter multiplied by twelve.	Amount of revenue represented by cash collected or billings from customers for our Verified products, but which will only be recognized as revenue in future periods.
