(“authID” or the “Company”) will be held virtually by webcast, on September 20, 2022, at 10:00 a.m. Eastern Time, to consider the below proposals. Due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees and stockholders, the Annual Meeting will be held in a virtual meeting format at <https://edge.media-server.com/mmc/p/d7z84o2n>.

1. To elect the eight director nominees named in the Proxy Statement to hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of Cherry Bekaert LLP as the Company’s independent auditors for the fiscal year ending December 31, 2022;
3. To approve an amendment to our Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of common stock (the “Authorized Share Decrease”) from 1,000,000,000 to 250,000,000 (the “Authorized Share Decrease Proposal”); and
4. To act on such other matters as may properly come before the meeting or any adjournment thereof.

BECAUSE OF THE SIGNIFICANCE OF THESE PROPOSALS TO THE COMPANY AND ITS STOCKHOLDERS, IT IS VITAL THAT EVERY STOCKHOLDER VOTE AT THE ANNUAL MEETING IN PERSON OR BY PROXY.

These proposals are fully set forth in the accompanying Proxy Statement which you are urged to read thoroughly. For the reasons set forth in the Proxy Statement, your Board of Directors recommends a vote “FOR” the directors set forth in Proposal 1 and “FOR” Proposals 2 and 3. A list of all stockholders entitled to vote at the Annual Meeting will be available at the principal office of the Company during usual business hours for examination by any stockholder for any purpose germane to the Annual Meeting for 10 days prior to the date thereof. Stockholders are cordially invited to attend the Annual Meeting.

As we did for the 2021 Annual Meeting, due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees and stockholders, we are very pleased that for this year’s Annual Meeting we will again be hosting a completely virtual meeting of stockholders, which will be conducted solely online via live webcast. You will be able to attend and participate in the Annual Meeting online and submit your questions prior to and during the meeting by visiting: <https://edge.media-server.com/mmc/p/d7z84o2n> at the meeting date and time described in the accompanying proxy statement. There is no physical location for the Annual Meeting.

Having regard to the current pandemic we are pleased to embrace the latest technology to provide safe and expanded access, improved communication, reduced environmental impact and cost savings for our stockholders and the Company. We are furnishing our proxy materials on or about August 5, 2022 to all stockholders of record entitled to vote at the Annual Meeting.

How can I attend the Annual Meeting?

The Annual Meeting will be a completely virtual meeting of stockholders, which will be conducted exclusively by webcast. You are entitled to participate in the Annual Meeting only if you were a stockholder of the Company as of the close of business on the Record Date, or if you hold a valid proxy for the Annual Meeting. No physical meeting will be held.

The online meeting will begin promptly at 10.00 a.m., Eastern Time. We encourage you to access the meeting prior to the start time leaving ample time for the check in. Please follow the registration instructions as outlined in this proxy statement.

How do I register to attend the Annual Meeting virtually on the Internet?

Prior to the commencement of the meeting please go to <https://edge.media-server.com/mmc/p/d7z84o2n>. There you will be asked to register with your name, e-mail address and company details – or if none insert “Individual”.

We encourage stockholders to vote prior to the meeting but if you wish to vote on the day of the meeting you will be able to vote your shares online by going to <https://www.investorvote.com/AUID> and please follow the instructions in “*How to Vote*” below and on your Proxy Card.

Why are you holding a virtual meeting instead of a physical meeting?

Due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees and stockholders, we are very pleased that for this year’s Annual Meeting will again be hosting a completely virtual meeting of stockholders, which will be conducted solely online via live webcast. You will be able to attend and participate in the Annual Meeting online and submit your questions prior to and during the meeting by visiting: <https://edge.media-server.com/mmc/p/d7z84o2n> at the meeting date and time described in the accompanying proxy statement. Having regard to the current pandemic we are pleased to embrace the latest technology to provide safe and expanded access, improved communication, reduced environmental impact and cost savings for our stockholders and the Company. If you plan to attend the meeting virtually on the Internet, please follow the registration instructions as outlined in this proxy statement.

Notice of Internet Availability (Notice and Access)

Instead of mailing a printed copy of our proxy materials to each shareholder, we are furnishing proxy materials via the Internet. This reduces both the costs and the environmental impact of sending our proxy materials to our shareholders. If you received a “Notice of Internet Availability,” you will not receive a printed copy of the proxy materials unless you specifically request a printed copy. The Notice of Internet Availability will instruct you how to access and review all of the important information contained in the proxy materials. The Notice of Internet Availability also instructs you how to submit your proxy on the Internet and how to vote by telephone.

If you would like to receive a printed or emailed copy of our proxy materials, you should follow the instructions for requesting such materials included on the documents you received. In addition, if you received paper copies of our proxy materials and wish to receive all future proxy materials, proxy cards and annual reports electronically, please follow the electronic delivery instructions on the documents you received. We encourage shareholders to take advantage of the availability of the proxy materials on the Internet to help reduce the cost and environmental impact of our annual shareholder meetings.

The Notice of Internet Availability is first being sent to shareholders on or about August 5, 2022. Also on or about August 5, 2022, we will first make available to our shareholders this Proxy Statement and the form of proxy relating to the 2022 Annual Meeting filed with the SEC on August 5, 2022.

What is included in these materials?

These materials include:

- this Proxy Statement for the Annual Meeting; and
- the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021.

What is the proxy card?

The proxy card enables you to appoint Thomas L. Thimot, our Chief Executive Officer, and Graham Arad, our General Counsel, as your representatives at the Annual Meeting. By completing and returning a proxy card, or by voting electronically or by telephone you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card (or submitted electronically or by telephone). This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including:

- (i) the election of eight persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;
- (ii) ratification of the appointment of Cherry Bekaert LLP as the Company's independent auditors for the fiscal year ending December 31, 2022;
- (iii) to approve the Authorized Share Decrease Proposal; and

In addition, management will respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of one-third of the number of shares of common stock issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there were 24,789,418 shares of common stock issued and outstanding. Thus, the presence of the holders of common stock representing at least 8,262,313 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Our stockholders may hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

How can I get electronic access to the proxy materials?

In addition to the copies of this proxy that you may receive, the Notice of Internet Availability provides you with instructions regarding how to:

- view the Company's proxy materials for the Annual Meeting on the Internet at <https://www.investorvote.com/AUID>;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Stockholder of Record

If on July 29, 2022, your shares were registered directly in your name with our transfer agent, Computershare Trust Company N.A., you are considered a stockholder of record with respect to those shares, and the Notice of Internet Availability, or Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares via the Internet or by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If on July 29, 2022, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the Notice of Internet Availability or the enclosed Proxy Card.
- *By Telephone.* You may vote by calling the toll free number found on the Proxy Card.
- *By Mail.* You may vote by completing, signing, dating and returning your Proxy Card in the pre-addressed, postage-paid envelope provided.
- *In Person Virtually.* You may attend and vote at the Annual Meeting virtually. When you log on to the Webcast there will be instructions about how to vote.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the Notice of Internet Availability or the enclosed Proxy Card.
- *By Telephone.* You may vote by proxy by calling the toll-free number found on the vote instruction form.
- *By Mail.* You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- *In Person Virtually.* If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares. When you log on to the Webcast there will be instructions about how to vote.

How will my vote be counted if I have not yet exchanged my stock certificate for new Common Shares?

On June 14, 2021 we completed a 1-for-30 reverse stock split of our shares of common stock. At that time all stockholders were notified and encouraged to exchange their old paper stock certificates for new shares of common stock in electronic book entry form. If you have not yet exchanged your certificate you will still be able to vote your shares and your votes will be counted on a “as exchanged”, post-split basis. That is to say you will get 1 vote for every 30 shares represented by a stock certificate as of the record date July 29, 2022.

We encourage you to exchange your old paper certificate for new electronic shares, using the exchange form provided. If you have lost your certificate or the exchange form, or have any questions about the exchange process, please contact Computershare at +1-800-368-5948 (U.S.) +1-781-575-4223 (Outside the US), via the website <http://www.computershare.com/> or by e-mail to web.queries@computershare.com.

What are abstentions and broker non-votes?

While the inspector of elections will treat shares represented by proxies that reflect abstentions or include “broker non-votes” as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or “broker non-votes” do not constitute a vote “for” or “against” any matter and thus will be disregarded in any calculation of “votes cast.” However, abstentions and “broker non-votes” will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on “non-routine” matters, unless they receive voting instructions from their customers (*see What happens if I do not give specific voting instructions*). As used herein, “uninstructed shares” means shares held by a broker who has not received voting instructions from its customers on a proposal. A “broker non-vote” occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, but not on non-routine matters. Under New York Stock Exchange (“NYSE”) rules, if your shares are held by a member organization, as that term is defined under NYSE rules, responsibility for making a final determination as to whether a specific proposal constitutes a routine or non-routine matter rests with that organization, or third parties acting on its behalf.

What are the Board’s recommendations?

The Board’s recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- *for* election of the eight director nominees named in the Proxy Statement to hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified;
- *for* ratification of the appointment of Cherry Bekaert LLP as the Company’s independent auditors for the fiscal year ending December 31, 2022; and
- *for* the Authorized Share Decrease Proposal.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How are proxy materials delivered to households?

Only one copy of the Company’s Notice of Internet Availability, Annual Report on Form 10-K for the fiscal year ending December 31, 2021 or this Proxy Statement, as applicable, will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders’ prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company’s Notice of Internet Availability, Annual Report on Form 10-K for the fiscal year ending December 31, 2021 or this Proxy Statement, as applicable. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report on Form 10-K and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report on Form 10-K and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to authID Inc., 1624 Market St., Ste 226, Unit 51767 Denver, Colorado 80202-1559; Attention: Corporate Secretary.

Interest of Officers and Directors in matters to be acted upon

Except for the election to our Board of the nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

Committees established by the Board

The Board of Directors has standing Audit, Compensation, and Governance Committees. Information concerning the function of each Board committee follows.

Audit Committee

The Audit Committee is responsible for overseeing management’s implementation of effective internal accounting and financial controls, supervising matters relating to audit functions, reviewing and setting internal policies and procedures regarding audits, accounting and other financial controls, reviewing the results of our audit performed by the independent public accountants, and evaluating and selecting the independent public accountants. The Audit Committee has adopted an Audit Committee Charter which is posted on the Corporate Governance page under the tab labeled “Board Committees” on our Investor Relations website at <https://investors.authid.ai>. The Board has designated Michael Koehneman as the “audit committee financial expert” as defined by the SEC. During 2021, the Audit Committee held five meetings.

Compensation Committee

The Compensation Committee determines matters pertaining to the compensation of our named executive officers and administers our stock option and incentive compensation plans. During 2021, the Compensation Committee held three meetings and also approved certain actions by unanimous written consent.

During 2021, the Governance Committee held two meetings.

Nomination of Directors

As provided in its charter, the Governance Committee is responsible for identifying individuals qualified to become directors. The Governance Committee seeks to identify director candidates based on input provided by a number of sources including (1) the Governance Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chair of the Board, and (5) third parties such as service providers. In evaluating potential candidates for director, the Governance Committee considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

While the Governance Committee does not have a formal policy with respect to diversity, it believes that it is important that the Board members represent diverse viewpoints, with a broad array of experiences, professions, skills and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board to best fulfill its responsibilities.

Board Diversity

The Board believes that a diverse membership having a variety of skills, styles, experience and competencies is an important feature of a well-functioning board. Accordingly, the Board believes that diversity of viewpoints, backgrounds and experience (inclusive of gender, age, race and ethnicity) should be a consideration in Board succession planning and recruiting. In recent years, the Governance Committee has taken this priority to heart in its nominations process, and the diversity of the Board has grown significantly. Two of the eight current members of the Board are female one of which also self identifies as an underrepresented minority, as compared to none as recently as a year ago, satisfying The Nasdaq Stock Market, LLC Listing Rules' (the "NASDAQ Listing Rules") objective for listed companies to have at least two diverse directors, including one who self-identifies as female and one who self-identifies as either an underrepresented minority or LGBTQ+. The chart below provides certain information regarding the diversity of the Board as of June 27, 2022.

Board Leadership Structure and Role in Risk Oversight

The Board recognizes that the leadership structure and combination or separation of the CEO and Chairman roles is driven by the needs of the Company at any point in time. As a result, no policy exists requiring combination or separation of leadership roles and our governing documents do not mandate a particular structure. This has allowed the Board the flexibility to establish the most appropriate structure for the Company at any given time.

In June 2021, the Board elected to separate the role of Chief Executive Officer and Chairman of the Board of Directors. Mr. Thimot was appointed as Chief Executive Officer and as a Director of our company on June 14, 2021. Mr. Kumnick, who served as our Chief Executive Officer until June 2021, continues to serve as Chairman of the Board of Directors of the Company and has been a director of the Company since 2020. The Board believes that the separation of the Chairman of the Board and CEO roles currently provides the most efficient and effective leadership model for the Company as it encourages free and open dialogue regarding competing views and provides for strong checks and balances. Specifically, the balance of powers among our CEO and the Chairman of the Board facilitates the active participation of all directors and enables the Board to provide more effective oversight of management. In addition, the Board believes that this separation enables our CEO to focus on the management and operations of our business and the development and implementation of strategic initiatives, while our Chairman of the Board leads the Board in the performance of its responsibilities.

The Board, led by the Audit Committee, is actively involved in overseeing our risk management processes. The Board focuses on our general risk management strategy and ensures that appropriate risk mitigation strategies are implemented by management. Further, operational and strategic presentations by management to the Board at Board meetings include consideration of the challenges and risks of our businesses, and the Board and management actively engage in discussion on these topics. In addition, each of the Board's committees considers risk within its area of responsibility.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics Policy (the “Code of Ethics”) that applies to all directors and officers, which is posted on the Corporate Governance page under the tab labeled “Board Committees” on our Investor Relations website at <https://investors.authid.ai>. The Code of Ethics describes the legal, ethical and regulatory standards that must be followed by the directors and officers of the Company and sets forth high standards of business conduct applicable to each director and officer. As adopted, the Code of Ethics sets forth written standards that are designed to deter wrongdoing and to promote, among other things:

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 2:

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF APPOINTMENT OF CHERRY BEKAERT LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDED DECEMBER 31, 2021.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO DECREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 1,000,000,000 TO 250,000,000

The Board of Directors has approved and is requesting stockholder approval to amend the Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of common stock from 1,000,000,000 to 250,000,000.

Reason for the Authorized Share Decrease

The Board of Directors believes that the reduction in the number of authorized shares of common stock will reduce certain of our costs, in particular annual franchise taxes paid to the State of Delaware. In addition, the Board of Directors believes that we will need fewer authorized shares of Common Stock to meet our projected capital stock needs for capital-raising transactions, issuance of equity-based compensation and, to the extent opportunities may arise in the future, strategic transactions that may involve our issuance of stock-based consideration.

In the event that we need to increase our authorized shares of common stock in the future, we may, subject to stockholder approval, seek to amend the Amended and Restated Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock.

The Board of Directors believes that the Authorized Share Decrease will appropriately balance the needs for available shares for capital raising, strategic transactions, and equity incentive awards with the desire to avoid having an unreasonably high number of authorized shares and payment of excess franchise taxes. The Board of Directors believes that the size of the remaining available shares is appropriate to provide for our long-term needs and is in line with most similarly situated companies.

Effects of the Amendment

The Authorized Share Decrease (if it is approved by our stockholders at the Annual Meeting) will not change any rights of any holder of common stock. Voting rights of the holders of the issued shares of common stock will remain the same.

The proposed amendment to the Amended and Restated Certificate of Incorporation would decrease the authorized shares of the common stock from 1,000,000,000 authorized shares of common stock to 250,000,000 authorized shares of common stock.

In implementing the Authorized Share Decrease, the Board of Directors intends to provide for an appropriate number of authorized shares of common stock available for future issuance. However, the proposed Authorized Share Decrease could have adverse effects. We will have less flexibility to issue shares of common stock, including in connection with a potential merger or acquisition, other strategic transaction or follow on offering if the number of authorized shares of the common stock is reduced.

In the event that our Board of Directors determines that it would be in the best interests of the Company and its stockholders to issue a number of shares of common stock in excess of the number of then authorized but unissued and unreserved shares, we would be required to seek the approval of our stockholders to increase the number of shares of authorized common stock. If we are not able to obtain the approval of our stockholders to increase the number of shares of authorized common in a timely manner, we may be unable to take advantage of opportunities that might otherwise be advantageous to us and our stockholders with respect to capital raising, hiring of key executive officers, strategic transactions or other matters.

Interests of Directors and Executive Officers

Our directors and executive officers have no substantial interests, directly or indirectly, in the matters set forth in this proposal except to the extent of their ownership of shares of our common stock.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote on the matter either in person or by proxy is required to approve the Certificate of Amendment to effectuate the Authorized Share Decrease. Abstentions and broker non-votes with respect to this proposal will be counted for purposes of establishing a quorum and, if a quorum is present, abstentions will have the same practical effect as a vote against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE AUTHORIZED SHARE DECREASE PROPOSAL, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER INDICATES OTHERWISE.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy, or their substitutes, will vote the shares represented thereby in accordance with their judgment on such matters.

Stockholders Proposals for the 2023 Annual Meeting.

Stockholder proposals intended to be presented at the Company's 2022 Annual Meeting must be received by the Company no later than April 12, 2023 (pursuant to Rule 14a-8 of the Exchange Act, 120 days before the anniversary of the prior year's mailing date) to be eligible for inclusion in the Company's proxy statement and form of proxy for next year's meeting. However, if the date of the 2023 Annual Meeting of Stockholders is changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before we begin to print and send our proxy statement for the 2023 Annual Meeting of Stockholders. We will disclose the new deadline by which stockholders proposals must be received under Item 5 of our earliest possible Quarterly Report on Form 10-Q, or, if impracticable, by any means reasonably calculated to inform stockholders. SEC rules set standards for eligibility and specify the types of stockholder proposals that may be excluded from a proxy statement. Proposals should be addressed to authID Inc., Attn. Corporate Secretary, 1624 Market St., Ste 226, Unit 51767 Denver, Colorado 80202-1559.

Under Rule 14a-4(c) of the Exchange Act, our Board may exercise discretionary voting authority under proxies solicited by it with respect to any matter properly presented by a stockholder at the 2023 Annual Meeting of Stockholders that the stockholder does not seek to have included in our proxy statement if (except as described in the following sentence) the proxy statement discloses the nature of the matter and how our Board intends to exercise its discretion to vote on the matter, unless we are notified of the proposal on or before June 26, 2023 (pursuant to Rule 14a-4 of the Exchange Act, 45 days before the anniversary of the prior year's mailing date) and the stockholder satisfies the other requirements of Rule 14a-4(c)(2). However, if the date of the 2023 Annual Meeting of Stockholders is changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before we begin to print and send our proxy statement for the 2023 Annual Meeting of Stockholders. We will disclose the new deadline by which stockholders' proposals must be received under Item 5 of our earliest possible Quarterly Report on Form 10-Q, or, if impracticable, by any means reasonably calculated to inform stockholders. If we first receive notice of the matter after June 26, 2023, and the matter nonetheless is permitted to be presented at the 2023 Annual Meeting of Stockholders, our Board may exercise discretionary voting authority with respect to the matter without including any discussion of the matter in the proxy statement for the meeting. We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with the requirements described above and other applicable requirements. Accordingly, with respect to the Company's 2023 annual meeting of stockholders, notice must be provided to authID Inc., Attn. Corporate Secretary, 1624 Market St., Ste 226, Unit 51767 Denver, Colorado 80202-1559 no later than June 26, 2023. If a stockholder fails to provide timely notice of a proposal to be presented at the 2023 annual meeting, the chair of the meeting will declare it out of order and disregard any such matter.
